

Overview of authorship for cumulative dissertations

- 1) Please list your scientific articles according to their order in the dissertation
- 2) Please enter the title of the article.
- 3) Please provide the full name of your co-authors and a current e-mail address.
- 4) Please indicate whether the article is the subject of another dissertation. If so, please state the name of the other doctoral candidate.
- 5) Please indicate the status of each article. Please differentiate between *published by*, *submitted to*, *neither submitted nor published/in progress*. If the article has been published, please also state the journal.
- 6) If an article has been published, please indicate the journal ranking and the impact factor.
- 7) Please specify your role in the article (e.g. first author, corresponding author); also indicate if the authors are listed in alphabetical order. Multiple entries are possible.

Then fill out the following scorecard for each article to illustrate your contribution

1) Chapter in the dissertation	2) Title	3) Authors	4) Subject of another dissertation	5) Status of the article	6) Journal Ranking & Impact Factor	7) Roll

(must be filled in separately for each paper)
