This is where you will proceed!

Course Content in Victoria: BCom Year 3 & 4

- Once you are registered in the BCom program core, generally in your third year, **you will complete one year of core courses** (marketing, financial accounting, managerial accounting, management finance, organizational behaviour and design, management of employee relations, management of information systems, operations management, business and sustainability and career skills).
- These courses are delivered in a cohort format, giving you not only a solid business education, but also an opportunity to work closely with your classmates and develop strong teamwork skills.
- BCom has a **mandatory co-op program** in which you complete three semesters of paid work experience to satisfy the BCom degree requirements.

Course Content in Victoria: BCom Year 3 & 4

- In fourth year, you complete an area of specialization along with a term of commerce elective course work. Specializations:
 - Entrepreneurship
 - International Business
 - Service Management
 - Non-specialized option
- If you are interested in participating in the International Exchange program, you have the **opportunity to study abroad** for up to four or eight months (academic term + co-op work term) during your fourth year.
